Your questions answered!

Who runs the group meetings?

The meetings are *chaired* by lola, who has been assisting Wendy and Anne on their training courses since 2006 and who is a confident Reiki Master with a solid knowledge of Reiki.

Who chooses the topics?

The group usually decides which subjects it wishes to revisit during the next year in December and lola prepares a schedule.

How are the meetings run?

The evenings are organized but informal. Everyone can be as involved or uninvolved as they choose. Members volunteer to lead the meditation, give Reiju and research information etc if they wish.

What will the Reiki Share do for me?

Attending the Reiki Share will offer you the opportunity to practice your skills, allow you to complete CPD credits, whilst also allowing you to discuss relevant issues. You will make friends with likeminded people who you will teach as well as learn from. You will enjoy a relaxing Reiki meditation and give and/or receive the sacred Reiki blessing of Reiju.

What if I don't attend a Reiki Share?

If you don't attend a Reiki share you will probably not be up to date with current information, have no-one to discuss Reiki with or practice new techniques on and you will miss out on our fun evening!

You have nothing to loose and much to gain!

In each session we: -

Discuss developments in the field of Reiki

Discuss interesting articles/information

Practice Reiki on each other

Follow Hatsurei-Ho including a led Reiki meditation and Reiju

Practice healing techniques on each other

Revisit the topic of the day!

Offer friendly support
